

KITSAP Aircraft Radio Control Society

Aires Newsletter for April

The March field Opener was a great success with about 30 people present and a bunch of aircraft. We had a pizza lunch and lots of flying.

The weather was somewhat co-operative for most of the day. Everyone that was present had an enjoyable time and much fellowship went on.

We did get some good pictures for the web site of the days activities.

The first "Competition Saturday", April 6th was not a good day for us. The wind was up and we had scattered showers. Those present at 10:00 am decided by a majority vote lead by our President to cancel the event for the day and hope that the May weather would be better.

The April meeting was held Tuesday April 9th at the Sunnyslope Improvement Association Hall. Attendance was very slack for the meeting with only seven members and one visitor present. It would be nice if more of the membership would attend the monthly meetings. The May meeting will likely be held at the field with the weather improving.

Other upcoming events this spring include: • 25 May - Warbird Fly-in! Mark your calendars and come out to compete. I've seen several people with their bomb drops system installed and practicing.

KITSAP Aircraft Radio Control Society

Then this summer we have a Fun Fly sometime in July,
events to be determined yet.

If you have something you would like included in the
Kitsap ARCS Aires Newsletter please send it to the Vice
President at "sotm@comcast.net"
