

FROM THE LEFT SEAT MAR '09

Due to the cancellation of the Feb. meeting, we have a loaded agenda for the March 10th meeting

First on the agenda is a NEW GATE COMBINATION, Effective on March 10th. So if you haven't paid you '09 dues (\$75.00 including the late penalty) or miss the meeting when we announce the new combination, you could find yourself outside the gate looking in.

Following is a very small portion of the things we will be covering:

Lori Raymaker of the Kitsap County Parks Dept. will be our guest. Lori will be addressing the Stewardship Program that our flying site falls under.

A report on our meeting with the Parks Commissioner. Some very interesting results occurred.

We'll be explaining the progress on the "Hobby Park" project

Planning on the new runway is moving along and we'll give the latest update on that.

And of course, the much delayed ARC Of The Year vote will transpire at the meeting.

Unlike the normal format, we'll both vote for and announce the recipient at the meeting.

We will go over the '09 event schedule

Plus, A WHOLE BUNCH MORE !

Yes, we do have an abundance of other important subjects and plans to cover, so please, plan to attend !

Oh, and as usual, heaps of ice cream and pastry after the meeting.
