

KITSAP ARCS FREQUENCY CHART

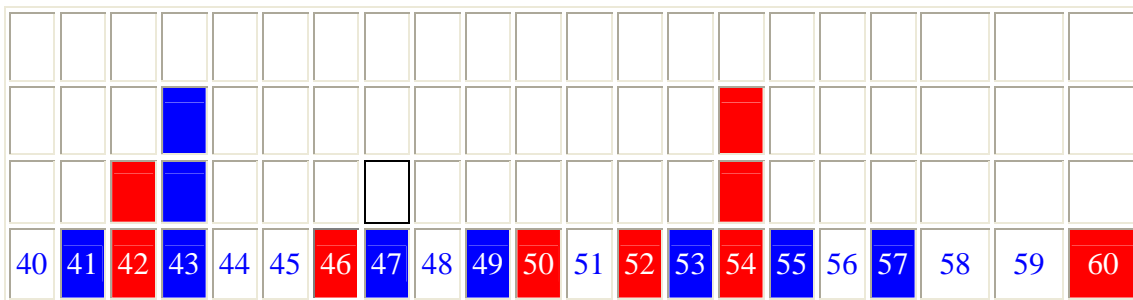

(The following chart shows the frequencies being used by the Kitsap ARCS members.
This will help in selecting a new frequency for that new radio.)

The numbers 11 through 60 indicate the frequency Channels. The colored boxes indicate how many club members who have that Channel.

Examples: Channel 42 has two club members who use Channel 42.

Channel 36 has no club members on Channel 36.

If you haven't emailed the webmaster your frequency during 2008, please send me an email with your name and channels you use. webmaster@kitsaparcs.org
