Membership Drive

- Rob reported 66 total actual members to date. Ended last year at 78.
- KC distributed informational handouts and the Saturday's open house had a low turnout but was fun anyway! Maybe try again in August.
- Looking for any ideas to boost our membership.

Schools Coordinator

Brian gave a brief status report. We have arrived at the end of the school year. As we mentioned back in January, we would evaluate if the club should continue supporting the schools. For support to continue, we need a Schools Coordinator who can organize and be the interface between the schools and the club.

Field Maintenance

- Thanks so much for the great support in getting the field looking great for the warbird fly in.
- Nothing new on the Master Plan.
- For the next field day: Fertilizer, fix/fill pot holes around the field, remove some saplings.
- Need to schedule Scotch broom poisoning.
- Mower in good shape.
- No report about the last Parks Board meeting.
- The next Kitsap County Parks Board meeting will be June 21st.

Publicity: Rob has club stickers available for \$8.00 (8-inch) and \$2.00 (3-inch) each.
