Membership Drive

Rob reported total membership is up, we will have an amazing membership report next month.

Looking for any ideas to boost our membership. Rob will send an email inviting ORCAS club members to fly.

Schools Coordinator

Indoor flying Friday, 6:30pm – 8:30pm.

Brian – nothing heard from either school.

Field Maintenance

We will coordinate a scotch broom spraying in early June via email based on a dry spell in the weather. KC will mow the field when we have a break in the weather. Chuck got a reply on the master plan approach for the county. Most likely will not be until September before a meeting that will specifically address the master plan. We will plan on briefing the board either in June or July with our proposed use of Coulter Creek Heritage Park.

Publicity

Rob reported stickers supply is really low.
