FPV Quad Racing – will place the racing obstacles on order. \$300 budget.

Kitsap Fair – Jim and Denise was passing out flyers at the fair and won 10 ribbons for his Fokker triplane and Ultimate biplane. If you want to enter next year it is a \$10 entry fee per model.

New Business

Do we really need to put our cards on the board? Why/Why Not? There was no good discussion for why the cards could not be put on the board, but Terry pointed out that the cards on the board are a good way to remind yourself of someone's name.

We had a motion on the floor to update the racing rules to reflect that the first Saturday racing events will take place on the first Saturday after the first Thursday of the month. The motion was seconded and passed by the club. Rob will update the rules to reflect the change.
