I bid you a hardy 'Welcome' and I hope you have as much flying here as we all do.

General Announcements

Recently had a very unfortunate situation at the field. On Friday, 12/4, one of our members went to the field in the afternoon. The gate was unlocked, but the lock and hasp wasn't in the lock box. He drove up to the field and there was an individual getting ready to fly. That person was driving a black Toyota Tacoma pick up. It had a beware of dog sign in the window and the dog was running loose. When asked about the lock, the flier stated that he had the lock and kept it from the gate so he wouldn't be locked in! The flier became a little defensive when questioned. To make matters worse, the dog charged our member's car. Rather than stay in this rather tense situation, the member left.

If anyone knows who this might be, please let me know. I'd like to discuss the issue with this person. We don't need this kind of conduct.

The LOA (license) between the Club and the KCPD has been signed and is in effect. This is a 3-year license.

Membership renewal is in full swing, with many members having submitted their renewals. Applications are on the Club's website. Please fill out the forms and mail them to Floyd's address on the form application. **A very important reminder** - If you use the PayPal, you'll still need to fill out, sign and mail the form to Floyd.

Competition

Hopefully, with a COVID vaccine on the very near horizon, hopefully, we'll be able to resume our competition weekends. Our first weekend of competition will begin on the first Saturday in April. This will consist of T-28 and Reno racing, combat and the judging of our 2020-2021 Winter Build.

Events (tentatively)

Winter Build 2020 – 2021. The rules have been posted on the website. Projects that were constructed during the 2019-2020 competition will be judged on 3 April. Judging will take place immediately after the final competition event.

27 March – Spring Opener
29 May – Warbird Fly-in
TBD Golden Age/Bi-Wing
TBD Fun Fly
23 October – Fall Closure

Field Maintenance

None.

Old Business

Regarding field use hours and maintenance hours. Please account for the hours for our guests.

New Business

The present members nominated and elected our 2021 Club Officers. The winners are:

President
Duane Barrett

Vice President
KC Patton

Secretary/Treasurer
Bruce Durham

Nominations for KARC of the Year were presented in a rare Chat Forum, part of the ZOOM meeting options. Thank you Rob for showing how to use this feature. The winner of KARCS ARC of the Year for 2020 was – KC Patton.

2021 Swap Meet schedule is tentatively:

Monroe EXPO will be 22/23 May 2021

McMinnville is proposing to be held during the 2nd week in March. This is tentative because any new COVID restrictions/guidelines.

Comments from the Membership

While the Club's Safety Officer is not an elected position, there is a requirement for us to have one. The AMA recognizes this as a member of the Club's officers. Would anyone like to volunteer? I personally feel as though all of us are indirectly 'Safety Officers'. After a discussion of the members present, Rob proposed that the VP be named the Safety Officer for the Club. No one dissented so the 2021 Safety Officer is – KC Patton.
