

# *KITSAP Aircraft Radio Control Society*

## *Monthly Meeting: March 09, 2021 ZOOM Meeting Minutes*

*Call to order: 7:03*

Tonight 13 members participated in the Club's ZOOM Teleconference Meeting. A thank you to all that participated.

### **New members or guests**

None at meeting – Bruce said we had a new member recently join.

### **Minutes Reading of the minutes**

- President asked if all had a chance to read February minutes, then asked for a motion to approve.
- Motion by: KC Second by: Ron
- All were in favor to approve the minutes of the January meeting.

### **Treasurer's Report**

- Bruce provided the status of the Club's current financial status.
- President then asked for a motion to approve.
- Motion by: Floyd Second by: KC
- All were in favor to approve the Treasurer's Report.

### **General Announcements**

The gate combination has been changed and sent to all current members. If your dues were not up to date by February 15, you would not have gotten the new combo. If you did not get the new gate combo or are now current and need the combo, please contact me.

### **Competition**

We are still hopeful we will be able to resume our competition weekends soon. Racing rules have been updated for 2021 and posted on our web site. For now, we cannot start competition Saturdays within the current restrictions safely. Our first weekend of competition will be determined as restrictions are lifted.

### **Events (tentatively)**

Winter Build 2020 – 2021. The rules have been posted on the website. Projects that were constructed during the 2019-2020 competition will also be judged on 3 April, provided that they have not been flown yet, along with any 2020-2021 new builds. This means you could be entering two different planes. The judging of Winter Builds will be held the First Saturday in April with static judging first. Let's try to get that started by 10:00 AM. One person's plane(s) per table for static judging. This is possible since this is only one person flying at a time. Masks and social distancing will still apply.

Other events known to date:

- 27 March – Spring Opener – Just a date for now; nothing else is planned.
- 29 May – Warbird Fly-in
- TBD – Golden Age/Bi-Wing
- TBD – Fun Fly
- 23 October – Fall Closer

### **Field Maintenance**

- None scheduled at this time. Mowing and weed eating will begin soon.
- We are still looking to replace the runway fabric as soon as the pandemic and the weather permits larger work parties. If restrictions do not change, we may have to just repair sections.

### **Old Business**

Remember to record your field use hours on the chart at the Kiosk, we are still collecting them for reference of our usage. Also please account for any hours for guests you may bring as well.

### **New Business**

- 2021 Swap Meet schedule is tentatively:
- Monroe EXPO has been changed to Saturday and Sunday October 30th and 31<sup>st</sup>.
- McMinnville is proposing to be held outside sometime in May or June, restrictions permitting. Nothing has changed with this yet.
- If members know of any other swap meets or model shows, please let me or KC know about them.
- We are looking to have a club swap meet at the June meeting provided we can hold that meeting at the field.

### **Comments from the Membership**

Brian asked about instructor help in the future.
