- Motion by: Slim Second by: Floyd
- All were in favor of approving the Treasurer's Report.

### **General Announcements**

A previous member donated his past models and equipment to the club, preferably to beginners.

### **Competition**

We held our first Competition on Saturday, May 1<sup>st</sup>, and had a great turn out. There were four T-28 racers with Neil coming up from Oregon to join us. We had two Reno racers and four Combat! pilots.

Duane managed three firsts in T-28 and Rob had three seconds. Neil didn't get airborne in the first two heats and finished third in the last. KC finished third in the first heat but had a fetish with the pylon poles in the second. He hit the south pole at the end of lap five and managed to fly on, but then the north pole took him out on lap six. We had fun guys.

An unusually high casualty rate in Combat! resulted in only Greg and KC finishing Heat One with no cuts and identical scores. The rest of the competition was scrubbed.

## **Events (tentatively)**

Other events known to date:

- 29 May – Warbird Fly-in has been cancelled by the CD
- TBD – Golden Age/Bi-Wing
- TBD – Fun Fly
- 23 October – Fall Closer

## **Field Maintenance**

- KC says the next mowing and weed eating is tentative set for Monday, May 24<sup>th</sup>.
- Paul and KC are getting together to spike and fertilize soon. No date yet.
- We are still looking to replace the runway fabric as soon as the pandemic and the weather permit larger work parties. Paul's other club did not have any fabric left over. KC and Greg are looking into the purchase and shipping costs of just one roll of the fabric. That way we can fix just the bad center section for now.

## **Old Business**

I want to thank everyone for their diligence in reporting field usage hours on the chart at the Kiosk. We are still collecting them for documentation of our park usage. Also, please account for any hours for guests you may bring. A big thank you to Paul and KC for collecting and tabulating this each month.
