- The February meeting will be held via a ZOOM for now.

Events (tentatively)

- The Winter Build Competition for 2022 kicked off as of the October meeting. Remember there is a new category this year: "Crashed and Salvaged". Rules and schedule are posted on the Web Site. The club will host Maiden Day at Little Field on March 26, 2022.
- The McMinnville Swap Meet will be held on March 19, 2022, 9:00am – 2:00pm, indoors at the Yamhill Valley Heritage Museum, 11275 SW Durham Ln., McMinnville, OR 97128.
- The WRAF (Red Apple Flyers) RC Swap Meet will be held on April 2-3, 2022, indoors at the Chelan County Expo Center, 5700 Wescott DR Cashmere WA 98815-9522. General Admission is \$5 with lunch available on-sight. RV parking and hook-ups are adjacent to the Expo Center. Tables are \$25 and \$30 dollars; they must be reserved ahead of time.

- The Annual NW Model Hobby Expo is scheduled for Saturday, April 9th, 9:00 AM – 6:00 PM, and Sunday, April 10th 9:00 AM to 3:00 PM. It will be held at the Evergreen Fairgrounds in Monroe, WA.
- We'll add more events as they come in.

Safety

- KC: we've all been safe!

Field Maintenance

- KC would like a brush removal work party sometime in the near future to tackle scotch broom and other weeds remaining at the north end of the runway. He will check on water level before scheduling.

Old Business

- Take care when locking or un-locking the gate not to damage the locks. Please!
- Please continue your diligence in reporting field usage hours on the chart at the Kiosk. Also please account for any hours for guests you may bring.
- Jim Wilkie has volunteered to handle the grilling and food for our events this year. Please encourage him.
- Please consider using the RCPilot.com website. It has provisions for selling stuff.
- Zoom renewed for 2022.

New Business

- Membership renewals for 2022 need to be done ASAP. We are currently just over half renewed. You have until February 12th to get your renewal completed. The gate combo will be changed on Sunday, February 13th.
- Open Shop for 2022. Paul F. has volunteered for a January open shop at his shop, January 18, 2022, at 7:00 pm. The topic will be determining an aircraft's center of gravity. He will demonstrate three ways of doing this. If you need to know how to get to his shop, contact Paul.
- ARC of the year for 2021 voting was sparse but close. ARC of the year goes to Floyd Dunaway for 2021. Congratulations Floyd; I will arrange to meet you with your plaque. Floyd donated the cash part of the award back into the club treasury.
- The Frosty Fingers first flight of the year goes to Terry Hubbard this year. Congratulations Terry; I will arrange to meet you with your plaque.
- Most crashes award for 2021. An email has been sent to the club for their nominations. They will be totaled on January 21st. I will announce who gets the award at the February meeting.

Comments from the Membership:

- Joseph S. had some battery charging issues. Paul Fleming offered to help him with them.
- There was a terrible echo during this meeting. We need to find out where it was coming from.
