General Announcements

- There are some new "For Sale" postings on the club web site.
- The September meeting will be at the field, weather still permitting.

August's First Saturday Flying Events

- Four T-28 racers and six Reno racers competed. Brian and John Calhoun joined the Reno flyers today. The day's racing was interesting with KC crashing two T-28s and Jim B. crashing his also. Terry dominated the T-28 racing with 3 first places. The Reno racers got off to a hot start with six racers, but three of them crashed out in heat one. KC, Brian, and Greg all crashed during heat one. Greg was the only one able to put a backup plane in the air for the rest of the heats. The final results are on the website.
- There was no Combat.

Field Maintenance

Next mow date tentatively Aug 29th. We would like to thank all who turned out for the Field Maintenance day in July. We got lots done.

Old Business: None

New Business: Open Shop: Any volunteers for August? There were no volunteers.

Comments from the Membership:

Terry Hubbard commented on the FAA's Remote ID. *Race Day Quads* lost its court suit against the FAA remote ID directive. This September remote id equipment is required to be installed by manufacturers in all ready-to-fly aircraft. We may see the elimination of bind-and-fly aircraft after current stock is depleted. Lots of unknowns as these remote id requirements are rolled out.
