General Announcements:

The current status of the Young Eagles build is that the fuselage is in the last stages of completion. Installation of the servos and linkage, motor, ESC and gluing in the tail feathers. The wing needs the installation of the ailerons and servo. Minor covering details are left. Then it will be getting the CG correct and the all important maiden flight. We hope to start training them to fly by the end of the month.

The Spring Opener was held on Saturday, 30 March. Approximately 30 people came out and knocked the rust off their thumbs and dust off their planes! The weather was perfect and a tremendous success!

With the weather improving, we're looking to have the May meeting at the field.

Safety:

With the number of people coming out to fly, please be mindful of the pattern and starting your airplane.

Competition Results -

The first competition on 6 April was cancelled due to Mother Nature. It was windy and scattered showers. Hoping for better weather in May

Regional Events (tentative)

- Northwest EXPO in Monroe – 12-14 April. Friday, 12 Apr will be a late afternoon, evening edition of the swap meet.
- 25 May – Warbird Fly-in! Mark your calendars and come out to compete. I've seen several people with their bomb drops system installed and practicing.
- Fun Fly ~ Jul
- Golden Age Fly ~ Sep
- Fall Closure – 12 Oct.

Field Maintenance:

It's anticipated that we'll mow the field on 15 April. Please mark your calendars.
