Motion by: Rob Showman            Second by: Jim Brown

The July financial report was voted on and approved by those in attendance.

### **General Announcements:**

Last month, we had two tremendous events. Our Maintenance Day and the Warbird Fly-in. Both were well attended. Our Warbird Fly-in had some outstanding participation. We even had 3 of our recently trained junior pilots that tried their hand in carrier landing. They all did well and are now in the process of configuring their airplanes for next year's carrier event!

The 2024-2025 YE Build will begin on Saturday 28 Sep. We already have 7 prospective juniors that will be participating in this build. Please reach out to Tim Stebbins or myself if you'd like mentor these juniors during the build. The build days will be the last Saturday of the month, starting 28 Sep and the first Saturday of the month. The times will be 1pm – 4:30pm.

### **Safety:**

Duane would like to remind everyone about the severe dry brush/grass surrounding the field. Please review where the local water and sand is located on the field. And also, a gentle reminder that we don't arm the airplanes under the structure or on the assembly tables.

### **Competition Results -**

The results from Aug's competition have been posted to the website. It was a lot of fun! We had a lot of people participating in the events. For, KC forgot the scoring sheets, so we flew combat for fun!

### **Regional Events (tentative)**

- 17-18 Aug – Bremerton Air Show – tickets are now on sale. Ticket info will be posted to the website.
- Golden Age Fly ~ Sep
- Fall Closure – 12 Oct.
- The Fall Monroe EXPO will be held on 25-27 Oct. It will be a 3 day event, with Friday's starting at 12pm. More information will be passed along as soon as I know it.
