None

Meeting Minutes

- President asked if all had a chance to read the September minutes. then asked for a motion to approve them.
- Motion by . John R. Second by Terry
- The August meeting minutes were approved by the members in attendance.

Treasurer's Report

Floyd presented the club's current financial statement for September.

- President asked for a motion to approve them
- Motion by John R. Second by Geo
- Treasurer's report was approved by the members in attendance.
Report included that the club had purchased a new tractor mower to replace the aged one.

General Announcements:

November meeting will resume on second Tuesday evening at 7:00 pm at the Sunnyslope hall. Address is: 5830 SW. Old Clifton Rd., Port Orchard, WA, United States, 98367. For directions please google from your location as I don't know where you are at. Also nominations for officers for next year will open that night. Please come out if you can.

Safety: There were no concerns noted tonight.

Competition Results October Competition Saturday has been posted to the web site. Competition is done for this year.

Regional Events

Monroe fall Expo on 16-17 Oct. The setup will be Thur. 15 Oct, with the sell days being Fri & Sat.

Field Maintenance: KC and his team have re-tarred all the runway patches. Should be good for the winter now. Sani-Can has been repaired. One final mowing will be scheduled for the year.

Also the Club has had to buy a new mower to maintain the field. If you would like to donate toward that purchase please see Floyd or visit the “Donation” page of our website to use PayPal.

Old Business:

KCPD Gate Update: Praks is saying we should have a new gate in four to five weeks.

New Business:

Winter Build for 2026-2027 will begin as of this meeting. Rules will be posted on the web site and sent to each member as are the minutes.

Fall Awards Banquet in November will be scheduled and held most likely at the Kitsap way Family Pancake House on a Friday evening. More later

Show and Tell:

Be sure to check with Brian Campbell about his hangar clearance sale. Ron Vandais shared a 3D printed stick cover to protect the gimbals sticks of your transmitter when stored and not in use. Clever print.
