- President asked for a motion to approve them
- Motion by Dale I. Second by KC
- Treasurer's report was approved by the members in attendance.

## **General Announcements:**

The EAA Young Eagle build: Tim Stebbins sent a email to club president stating: "Nothing new, Graduation ceremony last month. The plane has not been maiden'd yet. Needs to be tested at the field and then flown.

Three new volunteers are needed to work with the Young Eagles on this coming year's build. If interested please contact Club President.

County had a new gate installed, vandalized within three days.

County has dug "Tank" traps along the forest entrance in two places to preclude entry from there.

**Safety:** Reminder, Arming of electrics must only be done on the electric arming table or one of the other start benches, NOT on the pit tables or under the cover. If you must work on your plane in the pit area armed the motor must be unplugged or the prop removed first.

**Competition Results -** Posted on the website. Six Park Flyers competed and three Reno. Read scores.
