Treasurer's Report

Floyd presented the club's current financial statement for June.

- President asked for a motion to approve them
- Motion by Tom Second by Rob
- Treasurer's report was approved by the members in attendance.

General Announcements:

The field gate has been destroyed by a stolen vehicle, temporary chain locking, until KCPD fixes the gate. Runway was torn up again by vandals and has since been fixed. We had had another shooting vandalism and will need to patch some holes in our structure roof and maybe replace a sign. Sheriff reports were made for all three instances.

The EAA Young Eagle build: EAA Young Eagle Coordinator Trish Williams is still looking for new volunteers that are needed to help with the upcoming build. The build happens two Saturday afternoons a month through the winter build season, which is from September to April. Three new volunteers are needed to work with the Young Eagles on this coming year's build. If interested please contact Club President. An excellent opportunity to serve both the club and the community.

Safety: With all the vandalism happening it would be best not to come out and fly alone. Always try and have a buddy with you or meet you here if possible. Also never approach a strange vehicle alone if one is spotted at the field. It's getting hotter so know where the water and sand buckets are. Also remember to keep yourself hydrated well.

Competition Results - Posted July results on the website. Quick run down of standings was given. We had a good turn out considering it was the 4th of July. A little windy but not too bad. Combat was only four, but only three ever got in the air.

Regional Events

Aug – Nitro Fest – Cancelled by Nick

Nick at Nite ongoing again. Need info Contact Nick Munch.

Sept. 12th - Golden Age / Multi-Wing Fun Fly-In by Duane CD.

Field Maintenance:

We are back into mowing season again so watch your emails for dates and times for field maintenance.

The latest shooting spree damaged the roof of our covered area and it needs patching. I'll be scheduling that repair soon while the weather is nice. Scheduled.

We need to paint the tables that are outside of the cover now that the weather is warmer and paint can dry. Need volunteers for that, so we can set a maintenance day. Perhaps same day as a mowing event.

Old Business:

FAA Aircraft registration numbers. If you have not done so yet please send this information to the club president. I have sent numerous reminder emails, But, we still have 12 members who have not complied, they have been notified that until they complete this they are restricted from flying at the field.

New Business:

None

Show and Tell:

Held a swap and sell before and after the meeting

Comments from the Membership:

KC explained why we haven't changed the meeting from Tuesday nights to something else during the winter. Our contract for the hall only allows us Tuesday evenings.

Adjourned: 11:16 am
