Al presented the 5 and 10 year plan to the club.

We will increase our charitable events for the park and the local community.

Some of the items: Expanding our area to include other R/C clubs, such as the local R/C boat shop, U-Control Aircraft clubs, and R/C car clubs. There are some areas of concerns, such as security and who clears the paths to the lake and U-control areas. A committee will be formed to do further research.

The 2009 schedule will come out soon.

The club has decided to buy a veggie tray for the Sunny Slope club in thanks for letting us use their building for our club meetings.

Paul has volunteered to be the new Webmaster.

Biplane event on May 16th. Bring out your Biplane.

Tribute was given to Bill Meyer (who past away earlier this year).

Verlyn spoke about the donation bucket for the Veteran Retsil home. The Veteran's home has suffered some severe cuts and the Veterans could use our help.

Gift Exchange occurred.

Nominations for President: Al Franklin, Loren Miller,

Nominations for Vice President: Greg Tinius

Nominations for Secretary/Treasurer: Elliot Burks.

2009 Dues: See Elliot. Feb. 15th is deadline for 2009 dues. After that \$15 late fee.

SHOW AND TELL:

1) Verlyn showed and demonstrated how to make skies for your airplane. Contact Verlyn for instructions on how to easily make a set of skies for your aircraft. A really cool presentation. **Don't get caught in the cold and not be able to fly, make your skies early. The snow is coming.**

2) Bill showed his Dehaviland Mosquito. Two magnum .70 4-strokes and 10 servos.

3) Al showed his snow skies. Genuine teak with solid gold fittings. Made in India.

Bill won the Show and tell with his Dehaviland Mosquito.

Door Prize:

RAFFLE: AFP .25 was won by Verlyn.

QUARTERS: No winner.
