CORONAVIRUS GUIDELINES

Following CDC's guidance changes and Gov. Inslee's announcement
Thursday 5/13/2021:

1. "IF" you are fully vaccinated and two or weeks have passed since being completely vaccinated, masks are now voluntary while at the field. If you are not comfortable of course you can still wear one.
2. No limit now on group size.
3. Non-vaccinated must still wear masks according to CDC and Gov. Inslee's latest changes.
4. Please consider the health and well being of fellow club members if you are not fully vaccinated and wear your mask while at the field.
5. We should still observe social distancing when possible.

I'd like to thank all of our members for their continued support and cooperation during these past trying times.

Thank You Duane Barrett, President KARCS
