CORONAVIRUS GUIDELINES

Following CDC's guidance changes and Gov. Inslee's announcement Friday 3/11/2022 to remove indoor mask requirements:

1. If fully vaccinated and two or more weeks have passed since being completely vaccinated, masks are now voluntary while at the field. If you are not comfortable of course you can still wear one.
2. No limit on group size.
3. Please consider the health and well-being of fellow club members if you are not fully vaccinated and wear your mask while at the field.
4. We should still observe social distancing when possible.

I'd like to thank all of our members for their continued support and cooperation during these past trying times.

Thank You Duane Barrett, President KARCS
